Experience

Amazon IMDb

UX / Interactive Designer

Apr 2022 - Present | Santa Monica, CA

Designing internal and external advertising experiences through considering analyses, customer feedback and usability findings, developing conceptual diagrams, wireframes and prototypes, and rapidly turning around high-fidelity mockups reflecting a range of options.

HP

Interaction Designer

Oct 2020 - Apr 2022 | San Diego, CA

Worked with multiple cross-functional experience teams to provide system level to take direction from the UX Architect to get the design to the next level by charting each interaction, flow and paths for mobile and web products related to printing.

NASA Jet Propulsion Laboratory

Interaction Designer I

May 2020 - Sep 2020 | Pasadena, CA

Interaction Designer APX

Oct 2018 - May 2020 | Pasadena, CA

Design Intern

Jun 2018 - Sep 2018 | Pasadena, CA

Designed and assisted in implementing a communications package centered on visual content across all digital platforms, including website content, digital campaigns, etc. to retain new scientists and build deeper collaborations within industry and government.

ArtCenter College of Design

Advanced Prototyping Teaching Assistant

Sep 2017 - Dec 2017 | Pasadena, CA

Instructed students under the guidance of teachers on how to create high fidelity prototypes of digital projects with code and to present their interfaces, interactions, and behaviors.

Freelance Web Designer

Independent Contractor

Dec 2015 - Sep 2017 | Pasadena, CA

Worked on a variety of projects with a diversity of different clients. The projects include brand strategy, redesigning their business websites and designed UI overlays for Twitch streamers/creators.
